5. In-Charge, ICT Cell (for display in website and social media)

Sir/Madam,

This is to inform all the concerned that Library Department of the College has started **Plagiarism Detection Service** in order to implement the guidelines of the University Grants Commission (Promotion of Academic Integrity and Prevention of Plagiarism in Higher Education Institutions) Regulation, 2018 along with the Policy on Plagiarism resolved by Academic Council, UoA vide its meeting dated 09/04/2019.

Library will offer this service using 'URKUND' Plagiarism Detection Software (PDS) to its registered users only. The steps for registration and detection are given in a separate sheet entitled "**How to Detect Plagiarism using URKUND**" enclosed herewith.

Faculties and research scholars of the college are advised to use this facility for checking of plagiarism in **research articles, theses, dissertations, and other scholarly writings**.

It is requested to make provisions to circulate this notice to all the concerned faculties, students, and researchers for awareness about the service. A copy of the "**How to Detect Plagiarism using URKUND**" should be pasted on the notice board of the department.

Thanking You.

(Dr. Punit Kumar Singh)

College Librarian
